**COME HAVE A DAY
OF FUN!**

HWS Crew and the Community

Kid's Day Extravaganza is one of our team fundraisers

aimed at using our leadership skills to help the commu-

nity while the team also helps itself. All proceeds from this fundraiser will go toward team travel costs and equipment purchases. Your support helps us take more deserving and hard working students to more races in better boats. See below for more details on our Rent-A-Rower fundraiser.

**Play safely with
kids your age!**

HWS Crew Snapshot

Our student-athletes dedicate 2-3

hours a day, 6 days a week toward their sport. In

doing so, they have learned the importance of time management and personal responsibility. Last year,

both teams' were Liberty League Champions. The women's team's GPA averaged a 3.3 and produced

two phi beta kappans, and one ESPN Academic All-American! The men's team had 6 students on the

dean's list last semester, and boasts the Hobart Senior Class President, too!

Get More Done in a Day

On November 12, you can get more done in one day than you possibly could imagine! Just enroll your chil-

dren in our Kids' Day Extravaganza and also hire additional help from our team using our Rent-A-Rower

program. Rowers can help you clean up your yard, move boxes, paint, and do other tasks around your

home at very reasonable rates. One rower costs \$60 for four hours of work! Rent-A-Rower also runs on

October 21 and 22. Half and whole days are available, dates outside of these may also be arranged. Please

contact men's head coach Mike Alton for more information at 315-781-3935 or alton@hws.edu.
