

Athletic Facilities

Hobart & William Smith feature some of the finest athletic facilities in the nation. The Hobart lacrosse team plays its home games on the natural grass of legendary Boswell Field or the AstroTurf of McCoey Field. The team has several practice fields, including the full-length indoor Bristol Field House. The Statesmen prepare for games and practices in the recently renovated Topichak Team Room. HWS student-athletes also have exclusive access to the RFK Varsity Strength Training Center.
