Francis Lucas “Babe” Kraus ’24

A defenseman for Hobart, Kraus was an All-American player, named to the All-Star New York team and was captain of Hobart’s football and basketball teams. A charter member of the Hobart Hall of Fame, he was head lacrosse coach at his alma mater for 40 years, beginning in 1927, and was director of athletics from 1932 to 1963. Kraus was actively associated with the USILA for more than 30 years, serving on the executive, rules, Man of the Year, and All-America committees. The Babe Kraus Award, given annually to the college division Coach of the Year, honors his achievements. He was elected to the Hall of Fame in 1964.

Carlton J. Ferris ’37

Ferris was an outstanding attackman for Hobart from 1934 to 1937. He was chosen Most Valuable Player and first-team All-American in 1936 and 1937. He was a member of two North All-Star teams and also earned varsity letters in football and basketball at Hobart, making him a nine-letter player. Ferris helped start a lacrosse team at Geneva High School and was an official of the sport for eight years. A charter member of the Hobart Hall of Fame, he served as executive director of the Hobart Alumni Association for a number of years following his graduation. He was elected to the Hall of Fame in 1971.

Cyril De Cordova Brower ’21

Hobart’s first entry into the Lacrosse Hall of Fame was also a member of the football and basketball teams at the College. He later played lacrosse for the Crescent Club and was an official in both football and lacrosse. In addition to serving as president of the USILA for the 1942-43 term, Brower served on the association’s executive board and rules committee. He was elected to the Hall of Fame in 1959.

William H. Dobbin ’40

Dobbin was a co-captain of the 1940 Hobart lacrosse team and starred in the North-South game that year. An attackman, he was also captain of the basketball team his senior year. Inducted into the Hobart Hall of Fame in 1987, he was an official for 20 years and chief referee for the Central (N.Y.) Association for 10 years. Dobbin was general chairman of the 1956 and 1972 North-South games held in Geneva and was named USILA Man of the Year in 1956. He was director of the Hall of Fame for three years. His coaching experience included a year at Hobart and two as head of the Geneva Lacrosse Club. Dobbin also was instrumental in starting three high school lacrosse teams in New York State. He was elected to the Hall of Fame in 1972.

Herbert T. Fitch ’42

Fitch became the fifth member representing the College to enter the Lacrosse Hall of Fame when he was inducted in the spring of 1979. Inducted into the Hobart Hall of Fame in 1987, Fitch was an All-American in 1941 and 1942 and participated in the North-South All-Star game both years. He capped a brilliant career by receiving Attackman of the Year honors in 1942.

In 1940, he teamed with fellow Hall of Famer Bill Dobbin and All-American Dick Ferris to form one of the most feared attack units in history. The three helped the team coached by Babe Kraus to an undefeated record.

A Geneva High School graduate, Fitch was a three-sport star in college, playing football, basketball, and lacrosse.

2008 HOBART COLLEGE LACROSSE MEDIA GUIDE 47

Rick Blick '78 (right) was a three-time first-team All-American. He and Henry Rosenberg '52 were the first two lacrosse goalies inducted into the Hobart Athletics Hall of Fame (Class of 1993).
North-South All-Stars

Not only have many Statesmen taken part in this annual lacrosse classic, but Hobart College itself has served as host of the event three times. Most recently, the North-South Game was played in Geneva in 1982, a game won by the North by a score of 14-9. Hobart hosted the event 10 years earlier, when the South took the 1972 contest by an 18-14 margin. In 1956, the South also left Geneva victorious by a score of 20-10.

Over the years, 102 Statesmen have been selected to participate in the North-South Game. Hobart’s Jim Patten was named the game’s Most Valuable Player in 1992, while Ray Gilliam earned the honor in 1987 and Chuck Warren in 1986.

Former Hobart lacrosse players have been an integral part of professional lacrosse since the first professional leagues were formed. Today is no exception.

With the National Lacrosse League season well underway and the Major League Lacrosse season just a few months off, former Statesman Tim Booth ’03 plays for both the NLL’s San Jose Stealth and the MLL’s San Francisco Dragons. Additionally, B.J. O’Hara ’75 is the Head Coach of the Rochester Rattlers.

Other recent graduates that have played in the professional leagues include David Cain ’00, Rattlers; Nate Hill ’05, L.A. Riptide; Greg McCarthy ’05, Boston Cannons; and Chris Scanlon ’05, Rattlers.

Tim Booth ’03 began his professional career with the MLL’s Rochester Rattlers before moving on to the San Francisco Dragons (above). He also plays for the NLL’s San Jose Stealth (right).

Wes McDonald ’07 (above) was drafted by the NLL’s Toronto Rock.

Chris Scanlon ’05 (left) played for the MLL’s Rochester Rattlers, while classmate Greg McCarthy ’05 (inset) was drafted by Boston Cannons.

Far left, top: David Cain ’00 helped the Statesmen lift the Patriot League championship trophy in 2000 before signing with the Rochester Rattlers.

Far left, bottom: Nate Hill ’05, 10th on Hobart’s career assists list, played for the expansion L.A. Riptide in 2007.
Hobart and William Smith are prestigious liberal arts colleges offering an array of imaginative, largely interdisciplinary degree programs to approximately 1,900 undergraduate students.

Small, residential, liberal arts colleges, Hobart and William Smith afford opportunities for rich one-to-one interaction with teaching faculty and instruction in small classes, as well as for robust academic choices. The Colleges’ emphasis on interdisciplinary study imbues not only degree choices, but the construction of most individual classes.

In addition, Hobart and William Smith enjoy particular distinction in the areas of internationalism and public service. They offer a rich array of study-abroad programs and maintain a public service office which, working with the faculty, creates opportunities for co-curricular volunteerism and helps integrate “service-learning” into the curriculum.

Hobart and William Smith are located in Geneva, N.Y., a community (population roughly 17,000) located in the heart of New York state’s picturesque and historic Finger Lakes Region. The Colleges themselves sit on a spectacular 188-acre campus along the western shore of Seneca Lake. The William F. Scandling, one of only two research vessels owned and used by undergraduate institutions, allows students to use the lake as an area of study.

The dual identity of the Colleges–Hobart and William Smith—is a product of history. Hobart College was founded in 1822 by an Episcopal bishop as a college for men. (One notable exception was Elizabeth Blackwell, the nation’s first female physician, who graduated in 1849 from the since-departed medical school.) In 1908 nurseryman William Smith established the women’s college affiliated with Hobart. Today, the Colleges share facilities, faculty, and curriculum, while maintaining separate student governments, deans, annual traditions, and athletics programs, creating a best-of-both-worlds approach to gender-specific concerns.

Worth Noting...

• In 2007, Hobart and William Smith became charter members of an effort to reduce emissions of gases responsible for global warming. The initiative aims to address global warming by garnering institutional commitments to neutralize greenhouse gas emissions on campuses across the country.

• In 2006, Hobart and William Smith launched the most ambitious fund-raising effort in its history—Campaign for the Colleges. The $160 million capital campaign will ensure the Colleges’ place among the nation’s leading liberal arts institutions.

• HWS are the first institutes of higher education in New York to utilize wind power as an alternative energy source. The Colleges are committed to the use of additional alternative sources such as geo-thermal power and solar power.

• Opportunities for undergraduate research have led to a number of prestigious grants and awards for HWS students, among them the nationally known and highly competitive Merck and Goldwater Scholarships.

• Nationally, less than 1 in 10 students participate in study abroad programs, at HWS, most students have some kind of off-campus/international learning experience.
Mark D. Gearan, bringing extensive experience in public service and a strong commitment to undergraduate liberal arts education and international studies, became Hobart College’s 26th president and the 15th president of William Smith College in August 1999.

Prior to being named to that position by the Colleges’ trustees, Gearan was serving as director of the U.S. Peace Corps in Washington, D.C., a position he assumed in 1995. His resignation from that post to lead the Colleges garnered not only national headlines, but a flood of personal testimonials and tributes. President Bill Clinton, to whom Gearan reported as Peace Corps director, said, “Mark is gifted, humane, a leader, and deeply committed to the education of young people. I know that he will bring great vision to the Colleges as they enter the next century.”

In his eight years at Hobart and William Smith, Gearan has created two master plans for the Colleges’ future, HWS 2005 and HWS 2010; launched the $160 million Campaign for the Colleges; and established the President’s Forum Series and initiated a partnership with the greatest Geneva community.

Gearan has extensive credentials in public policy and service including having served at the White House as Assistant to the President, Director of Communications, and Deputy Chief of Staff.

A native of Gardner, Mass., Gearan earned a bachelor’s degree in government cum laude at Harvard University and a law degree from Georgetown University. He is the recipient of 12 honorary degrees.

He is married to Mary Herlihy Gearan, and they have two daughters, Madeleine and Kathleen.

Robb Flowers joined Hobart and William Smith Colleges in 2004, and was appointed the interim vice president of student affairs in July 2007. He had previously served as associate dean of students.

Flowers portfolio includes oversight of the Hobart and William Smith Athletics Departments, in addition to supervising the counseling center, the health center, the office of student activities, the residential education program, the Colleges’ radio station, intercultural affairs, the alcohol and other drugs education program, and campus safety.

Flowers has worked in student affairs for more than 15 years. Prior to joining the Colleges, Flowers served as assistant dean of the college at Colgate University, and associate dean of students at the College of the Holy Cross.

A native of Warsaw, N.Y., Flowers has family connections to athletics at Hobart. His uncle, Jack Flowers, coached basketball at Hobart from 1973 until 1981.

Flowers holds a bachelor’s degree from Houghton College, a masters of science from Alfred University, and a law degree from the University at Buffalo Law School.

He and his wife, Katie, the assistant director of public service at Hobart and William Smith, live in Geneva.

A 1968 graduate of Hobart, Mike Hanna became the College’s athletics director in 1981. He has piloted the athletics program to new heights through unprecedented championships in lacrosse, to today’s department-wide success.

In an effort to enhance Hobart student-athletes’ leadership skills both on and off the field, Hanna started the Napier Leadership Seminar. Now in its 11th year, the participants meet throughout the year to discuss leadership issues and to learn from featured speakers such as University of Florida Director of Athletics Jeremy Foley ’74 and New York Giants Vice President for Marketing Rusty Hawley ’79.

An active member of the community, Hanna has served in a variety of civic positions. He continues to co-chair the Geneva Rotary Club’s Student Loan Program and recently assisted Ontario ARC with their 1.5 million capital campaign.

Hanna has been involved in college athletics, including stops at Johns Hopkins, Navy, and Princeton, since his discharge from the U.S. Army. He was a paratrooper and an officer in military intelligence, including a tour as an advisor in South Vietnam.

As a quarterback, Hanna broke all of Hobart’s season and career passing records. He co-captained both the football and lacrosse teams and earned the Francis L. "Babe" Kraus Award as Hobart’s Athlete of the Year during his senior year.

Hanna resides in Geneva with his wife, Mary Anne, a second grade teacher at Geneva’s West Street Elementary School. They have three children: Katie, an agent in the Federal Bureau of Investigation; Molly WS’99, a stay-at-home mom in Baltimore; and Matt, the director of admissions and an assistant coach of lacrosse at Regis Jesuit High School in Aurora, Colo.
The Hobart and William Smith sports medicine staff is committed to providing the best possible health care system for Hobart and William Smith student-athletes. Physicians, physical therapists, athletic trainers (certified and student), coaches, and athletes all play an interactive role in establishing an effective operating system of prevention and care. Education takes a priority role for the professional staff, enabling them to stay current with techniques and equipment that will assist in retaining and attaining a safe and healthy playing environment for Hobart and William Smith student-athletes. In addition to the Colleges’ athletic trainers, HWS student-athletes also benefit from the services of Prescription Fitness Physical Therapy and Clinical Director Josh Kerlan, who holds a doctorate in physical therapy, as well as Interlakes Orthopaedic Surgery and Dr. James Mark.

Prior to his arrival at the Colleges, Reeland spent six years with the Los Angeles Dodgers baseball organization, working the full range of their farm system from Class A to Triple A. He also has trained the Alfred State University wrestling team and Bolivar football team.  
Reeland is an active member of the National Athletic Trainers Association, where he has served 18 years on the ethics committee, as well as for the Association’s Eastern and New York State branches. He was recently recognized for 25 years of service to the Association.

Prior to joining the Hobart and William Smith staff, Beier spent two years serving a graduate assistantship with Chippewa Valley Orthopedics and Sports Medicine, working as the head athletic trainer for Eau Claire Memorial High School.  
An extremely active member of the athletic training community, Beier has a wide array of experience, including working with the NFL’s Kansas City Chiefs, the A-League’s Milwaukee Wave, the Eau Claire YMCA, and the Wisconsin Special Olympics.
