

National Lacrosse Hall of Fame

Cyril De Cordova Brower '21

Hobart's first entry into the Lacrosse Hall of Fame was also a member of the football and basketball teams at the College. He later played lacrosse for the Crescent Club and was an official in both football and lacrosse. In addition to serving as president of the USILA for the 1942-43 term, Brower served on the association's executive board and rules committee. He was elected to the Hall of Fame in 1959.

Francis Lucas "Babe" Kraus '24

A defenseman for Hobart, Kraus was an All-American player, named to the All-Star New York team and was captain of Hobart's football and basketball teams. A charter member of the Hobart Hall of Fame, he was head lacrosse coach at his alma mater for 40 years, beginning in 1927, and was director of athletics from 1932 to 1963. Kraus was actively associated with the USILA for more than 30 years, serving on the executive, rules, Man of the Year, and All-America committees. The Babe Kraus Award, given annually to the college division Coach of the Year, honors his achievements. He was elected to the Hall of Fame in 1964.

Carlton J. Ferris '37

Ferris was an outstanding attackman for Hobart from 1934 to 1937. He was chosen Most Valuable Player and first-team All-American in 1936 and 1937. He was a member of two North All-Star teams and also earned varsity letters in football and basketball at Hobart, making him a nine-letter player. Ferris helped start a lacrosse team at Geneva High School and was an official of the sport for eight years. A charter member of the Hobart Hall of Fame, he served as executive director of the Hobart Alumni Association for a number of years following his graduation. He was elected to the Hall of Fame in 1971.

William H. Dobbin '40

Dobbin was a co-captain of the 1940 Hobart lacrosse team and starred in the North-South game that year. An attackman, he was also captain of the basketball team his senior year. Inducted into the Hobart Hall of Fame in 1987, he was an official for 20 years and chief referee for the Central (N.Y.) Association for 10 years. Dobbin was general chairman of the 1956 and 1972 North-South games held in Geneva and was named USILA Man of the Year in 1956. He was director of the Hall of Fame for three years. His coaching experience included a year at Hobart and two as head of the Geneva Lacrosse Club. Dobbin also was instrumental in starting three high school lacrosse teams in New York State. He was elected to the Hall of Fame in 1972.

Herbert T. Fitch '42

Fitch became the fifth member representing the College to enter the Lacrosse Hall of Fame when he was inducted in the spring of 1979. Inducted into the Hobart Hall of Fame in 1987, Fitch was an All-American in 1941 and 1942 and participated in the North-South All-Star game both years. He capped a brilliant career by receiving Attackman of the Year honors in 1942.

In 1940, he teamed with fellow Hall of Famer Bill Dobbin and All-American Dick Ferris to form one of the most feared attack units in history. The three helped the team coached by Babe Kraus to an undefeated record.

A Geneva High School graduate, Fitch was a three-sport star in college, playing football, basketball, and lacrosse.

North-South All-Stars

Statesmen Lacrosse 2008

Not only have many Statesmen taken part in this annual lacrosse classic, but Hobart College itself has served as host of the event three times. Most recently, the North-South Game was played in Geneva in 1982, a game won by the North by a score of 14-9. Hobart hosted the event 10 years earlier, when the South took the 1972 contest by an 18-14 margin. In 1956, the South also left Geneva victorious by a score of 20-10.

Over the years, 102 Statesmen have been selected to participate in the North-South Game. Hobart's Jim Patten was named the game's Most Valuable Player in 1992, while Ray Gilliam earned the honor in 1987 and Chuck Warren in 1986.

Statesmen In The Pros

Statesmen Lacrosse 2008

Former Hobart lacrosse players have been an integral part of professional lacrosse since the first professional leagues were formed. Today is no exception.

Additionally, B.J. O'Hara '75 is the Head Coach of the Rochester Rattlers.

Other recent graduates that have played in the professional leagues include David Cain '00, Rattlers; Nate Hill '05, L.A. Riptide; Greg McCarthy '05, Boston Cannons; and Chris Scanlon '05, Rattlers.

Hobart and William Smith are prestigious liberal arts colleges offering an array of imaginative, largely interdisciplinary degree programs to approximately 1,900 undergraduate students.

Small, residential, liberal arts colleges, Hobart and William Smith afford opportunities for rich one-to-one interaction with teaching faculty and instruction in small classes, as well as for robust academic choices. The Colleges' emphasis on interdisciplinary study imbues not only degree choices, but the construction of most individual classes.

In addition, Hobart and William Smith enjoy particular distinction in the areas of internationalism and public service. They offer a rich array of study-abroad programs and maintain a public service office which, working with the faculty, creates opportunities for co-curricular volunteerism and

helps integrate "service-learning" into the curriculum.

Hobart and William Smith are located in Geneva, N.Y., a community (population roughly 17,000) located in the heart of New York state's picturesque and historic Finger Lakes Region. The Colleges themselves sit on a spectacular 188-acre campus along the western shore of Seneca Lake. The William F. Scandling, one of only two research vessels owned and used by undergraduate institutions, allows students to use the lake as an area of study.

The dual identity of the Colleges—Hobart and William Smith—is a product of history. Hobart College was founded in 1822 by an Episcopal bishop as a college for men. (One notable exception was Elizabeth Blackwell, the nation's first female physician, who graduated in 1849 from the since-departed medical school.) In 1908 nurseryman William Smith

Worth Noting...

- In 2007, Hobart and William Smith became charter members of an effort to reduce emissions of gases responsible for global warming. The initiative aims to address global warming by garnering institutional commitments to neutralize greenhouse gas emissions on campuses across the country.
- In 2006, Hobart and William Smith launched the most ambitious fund-raising effort in its history—Campaign for the Colleges. The \$160 million capital campaign will ensure the Colleges' place among the nation's leading liberal arts institutions.
- HWS are the first institutes of higher education in New York to utilize wind power as an alternative energy source. The Colleges are committed to the use of additional alternative sources such as geo-thermal power and solar power.
- Opportunities for undergraduate research have led to a number of prestigious grants and awards for HWS students, among them the nationally known and highly competitive Merck and Goldwater Scholarships.
- Nationally, less than 1 in 10 students participate in study abroad programs, at HWS, most students have some kind of off-campus/international learning experience.

Mark D. Gearan
President
Hobart and William Smith Colleges

Mark D. Gearan, bringing extensive experience in public service and a strong commitment to undergraduate liberal arts education and international studies, became Hobart College's 26th president and the 15th president of William Smith College in August 1999.

Prior to being named to that position by the Colleges' trustees, Gearan was serving as director of the U.S. Peace Corps in Washington, D.C., a position he assumed in 1995. His resignation from that post to lead the Colleges garnered not only national headlines, but a flood of personal testimonials and tributes. President Bill Clinton, to whom Gearan reported as Peace Corps director, said, "Mark is gifted, humane, a leader, and deeply committed to the education of young people. I know that he will bring great vision to the Colleges as they enter the next century."

In his eight years at Hobart and William Smith, Gearan has created two master plans for the Colleges' future, HWS 2005 and HWS 2010; launched the \$160 million Campaign for the Colleges; and established the President's Forum Series, which brings national and international speakers to campus. Recently, he added his voice to the airwaves as host of the President's Radio Series and initiated a partnership with the greater Geneva community.

Gearan has extensive credentials in public policy and service including having served at the White House as Assistant to the President, Director of Communications, and Deputy Chief of Staff.

A native of Gardner, Mass., Gearan earned a bachelor's degree in government cum laude at Harvard University and a law degree from Georgetown University. He is the recipient of 12 honorary degrees.

He is married to Mary Herlihy Gearan, and they have two daughters, Madeleine and Kathleen.
