HEAD COACH/ROSTER

HEAD COACH CAROL WEYMULLER

Carol Weymuller enters her 10th season as the head coach of the Hobart squash program. Under her direction the Statesmen have been ranked in the top-20 in each of the past eight seasons. She has a career record of 94-90.

Last season, Weymuller guided Hobart to the inaugural Liberty League Championship and a 15-9 overall record, the highest wins total in the program's history. The Statesmen also earned their highest ever ranking, finishing second in the Hoehn Trophy and 10th overall at the College Squash Association team championships.

In 1994, Weymuller and her husband, Fred, received the U.S. Squash Racquets Association's President's Cup, the most prestigious award presented by the USSRA.

Weymuller earned a bachelor's degree in Spanish and elementary education from Bethany College in 1970. Upon graduation, she worked as a tennis and squash professional at the Heights Casino in Brooklyn, N.Y., from 1970 through 1980, followed by a stint at the Genesee Valley Club in Rochester, N.Y., from 1980 through 1993. From 1993 through 1995, she was the squash professional at the University of Rochester Medical Center Athletic Club and the tennis professional at the Country Club of Rochester.

An accomplished player as well, Weymuller was the No. 1 ranked player in New York City from 1976 through 1978. She served as captain of the U.S. Women's Team in 1981 and 1983 and won a record 11 consecutive Rochester Women's Championships from 1981 through 1991.

The Hobart College squash team comes into the 2004-05 season with its sights set high after a record-breaking season last year.

The Statesmen posted their most successful campaign in the program's 38 seasons, setting a new mark for wins in a season (15-9), earning a best-ever 10th place finish at the College Squash Association Team Championships, and capturing the inaugural Liberty League Championship.

Returning all but one player from last year's starting lineup, the Statesmen are favored to defend their Liberty League title and have the potential to crack the top-10 this season.

Leading the way at the top spot for Hobart will be senior **Tejvir Rathore**. Coming into the season ranked 34th among all college squash players, Rathore posted an 18-9 record at No. 1 and earned the Liberty League's Performer of the Year award.

Sophomore **Prateek Patni** returns to the No. 2 position after garnering first-team All-Liberty League honors a year ago with an impressive 5-1 record against conference opponents.

The Statesmen also welcome back seniors **Henry Clutsam**, **Freddy Cook**, and **Andrew Scott**, junior **Gavin Johnstone-Butcher**, and sophomore **Tucker Crockett** from last year's starters. Cook had a breakout year in 2003, posting a 17-7 record, while Clutsam was outstanding for the Statesmen as well with a team-best mark of 19-9 in the middle part of the lineup. Crockett led all Hobart

Senior Andrew Scott will anchor the middle of the lineup for the Statesmen this season after posting a 13-11 record at the No. 4 and No. 5 positions last year.

rookies last year with a 17-7 record, playing primarily at No. 6.

Looking to break into the starting nine this season are junior **Mike Tien** and sophomores **Andrew McDonough** and **Brian Shiver**. Each saw limited time in 2003, but have shown improvement in the off-season and could anchor the bottom of Hobart's lineup.

As in years past, the Statesmen will face a tough schedule in 2004-05. Hobart will open the season with weekend matches against Navy, Denison, Northwestern, and George Washington. The following week, the Statesmen will try to defend their title at the Liberty League Championships. Hobart also will travel to play six-time national champion Trinity College, and will host perennial powers Yale and Dartmouth as well as strong squads in Williams, Amherst, and Franklin & Marshall.

Led by 10th-year Head Coach **Carol Weymuller** (94-90, .511), the Statesmen are ranked 11th in the preseason poll and are looking to make that final jump into the top-10.

SENIORS

HENRY CLUTSAM

New Vernon, N.J., Blair Academy

A first-team All-Liberty League selection in 2004, Clutsam returns to anchor the middle of the Hobart lineup after posting a team best 19-9 record last season. His consistency and composure on the court allow him to win the close matches.

FREDDY COOK

Greenwich, Conn., St. George's School

One of the hardest working players on the team, Cook has continued to improve over the past three years. An intense competitor, his play keeps his opponent off balance and always guessing. The Statesmen will look to Cook as an emotional leader this season.

COLMAN CURRIE

London, England, St. George's School

Currie joins the Hobart squash team after a two-year hiatus. A rangy athlete, he moves well around the court and will impact the bottom of the Statesmen lineup. Also a member of the tennis team for three seasons, he helped Hobart capture the Liberty League title last year.

WILL LAWRENCE

Manhasset, N.Y., Manhasset

A newcomer to the Hobart squash team, Lawrence will spend the beginning of the season adapting to the college game. He has the ability, however, to earn a chance to play in the bottom half of the lineup in the latter part of the year.

TEJVIR RATHORE

Indore, M.P. India, Daly College

Hobart's top player for the past three seasons, Rathore is a talented all-around player. The 2004 Liberty League Player of the Year, he excels at drops and constantly keeps his opponent running. Rathore is ranked among the top-35 players in the country and boasts a career record of 44-25.

ANDREW SCOTT

Dorset, Vt., St. George's School

Anchoring the middle of the lineup during the 2003-04 season, Scott enters 2004-05 after a strong offseason. Posting a 13-11 record last year, he has the potential to move up to the top third of the lineup this season.

ANDREW CHILDS

Buffalo, N.Y., Nichols School

After showing improvement during his first two seasons, Childs has the potential to earn a spot in the starting nine.

TIM FRAZIER

Rumford, R.I., Bishop Hendricken

Joining the team in 2004-05, Frazier will spend much of the season honing his squash skills. A talented athlete, he could see time in the bottom half of the lineup later in the season.

GAVIN JOHNSTONE-BUTCHER

Bulawayo, Zimbabwe, St. Paul's School

A strong and versatile athlete, Johnstone-Butcher has been a fixture at the top of Hobart's lineup the past two seasons. An outstanding two-sport athlete, he also has excelled on the water as a member of the Hobart crew team.

MIKE TIEN

Baltimore, Md., Towson

Making great strides in his game over the past two years, Tien is expected to break into the starting lineup this year after sitting out his sophomore season.

The Dr. Frank P. Smith '36 Squash Center was dedicated on October 3, 1998, during a ceremony at the HWS Sport and Recreation Center. The five international courts reflect the commitment of Hobart and William Smith to the future of the game. The courts are wider — 21 feet for international play, as opposed to 18.5 feet for the hardball game.

The Statesmen use the state-of-the-art strength training equipment available in the Sport and Recreation Center's exercise room. The facility's strength and cardiovascular equipment also enhances the sports medicine staff's rehabilitation capacity.

**PRESIDENT
MARK D.
GEARAN**

Mark D. Gearan is a president whose life exemplifies the strongest attributes of Hobart and William Smith

Colleges: civic engagement, global awareness, a focus on the 21st century and a commitment to students.

When named president in 1999, Gearan was serving as director of the Peace Corps in Washington, D.C., a post he assumed in 1995. Prior to his Peace Corps directorship, he served at the White House as Assistant to the President, Director of Communications, and Deputy Chief of Staff.

A native of Gardner, Mass., Gearan earned a bachelor's degree in government cum laude at Harvard University and a law degree from Georgetown University. He is also the recipient of several honorary degrees. Gearan was confirmed by the U.S. Senate to serve on the board of the Corporation for National and Community Service, and was appointed to the national board of The Partnership of Public Service. He also serves on the board of the National Campus Compact and co-chairs the New York Campus Compact Executive Committee.

**DEAN OF
HOBART
CLARENCE E.
BUTLER**

Clarence E. Butler became dean of Hobart College in July 1998. Butler came to Hobart in

1979, after serving on the faculties at Brown University and Dartmouth College. He first was named assistant dean, then senior associate dean in 1983, after serving for two years as acting dean of the College.

Butler has served on many committees, including the Committee on Standards, Individual Major Committee, and President's Advisory Council. In addition to his administrative duties, he has taught German part time and, as an Episcopal priest, has at times served the local community in that capacity as well.

Butler received bachelor's and doctoral degrees from Washington University in St. Louis, a master's from the University of Kansas, and a bachelor of divinity degree from the Episcopal Theological School. He also received a language diploma from the University of Stockholm in Sweden. He is a former Fulbright Scholar and DAAD (German Academic Exchange Service) Scholar.

HOBART DIRECTOR OF ATHLETICS MIKE HANNA '68

A 1968 graduate of Hobart, Mike Hanna became the College's athletics director in 1981. He has piloted the athletics program through unprecedented championships in lacrosse to today's department-wide success. His vision, along with that of his William Smith counterpart, led to the construction of the Robert A. Bristol '31 Field House in 1989 and the Dr. Frank P. Smith '36 Squash Center in 1998. Improvements in the new millennium under his tenure include the Bozzuto Boathouse, McCooey Field, Cozzens Field, the RFK Strength Training Center, the Topichak

Team Rooms in the Elliott Varsity House, the Tom Poole Team Room for Hobart Soccer, and the Bob Ford Team Room for basketball.

As a quarterback, Hanna broke all of Hobart's season and career passing records during the 1966 and 1967 seasons. A second-team All-American lacrosse attackman in 1968, Hanna finished second for the Statesmen in scoring that year with 35 goals and 35 assists. He co-captained both the football and lacrosse teams his senior year.

ABOUT HOBART AND WILLIAM SMITH

Hobart and William Smith Colleges are private, coordinate, liberal-arts colleges in Geneva, N.Y. Hobart College was founded in 1822, William Smith College in 1908. Hobart enrolls 831 men and William Smith 1,035 women. The full-time equivalent teaching faculty numbers 156 members, 98 percent of whom hold doctoral degrees.

The two colleges have the same faculty; men and women students attend classes together and use the same library and laboratories. Each college, however, awards its own degrees, has its own dean, and maintains its own student government, traditions, and athletics programs.

ACADEMIC PROGRAMS

At the Colleges, the academic year is divided into two 15-week semesters. Students take four courses each term, eight per year, for either a bachelor of arts or bachelor of science degree. The academic program traditionally comprises four years.

Majors are available in American studies, anthropology, art, biology, biochemistry, chemistry, classics, comparative literature, computer science, economics, English, geoscience, Greek, history, Latin, mathematics, modern languages (French and Spanish), music, philosophy, physics, political science, psychology, religious studies and sociology.

Individual majors may be developed in Asian studies, Africana/Latino studies, urban studies and women's studies, among others. In addition, the Colleges offer a master's degree in education.

MISSION STATEMENT

The Hobart College Department of Athletics believes that intercollegiate athletics play a major role in the educational process, and strives to provide a challenging, meaningful and exciting experience for student-athletes. The Department accomplishes this mission by serving as teachers, counselors, leaders and representatives of the College and by offering quality instruction, services and athletics facilities while promoting a high level of sportsmanship and competition.

The coaching and support staffs place the highest value on:

- Commitment
- Integrity
- Loyalty
- Respect
- Teamwork

In carrying out its mission, the department will strengthen the ability of Hobart men to manage their lives and fulfill their potential as students, athletes, and citizens.

ATHLETICS PROGRAM

The Hobart Statesmen, whose colors are royal purple and orange, field intercollegiate teams in 11 sports, including basketball, crew, cross country, golf, football, ice hockey, lacrosse, sailing, soccer, squash and tennis.

Hobart is a member of the Liberty League, the Eastern College Athletic Conference (ECAC), and Divisions III and I of the National Collegiate Athletic Association (NCAA).
