Staff, Facilities, & Policies

Trainers Available

There is a trainer available onsite, two hours prior to any athletic event. Doctors are available through the training staff detailed in the list on the previous panel.

Locker Rooms

Upon arrival at Bristol Gymnasium or Boswell Field, please check in at the equipment room. Our equipment coordinator will show you to your locker room. Hobart does not provide towels or locks for visiting teams. For cross country, soccer, basketball, and tennis, the locker rooms are located in Bristol Gymnasium. For football, lacrosse, squash, and tennis (inclement weather site) locker rooms will be provided at Elliott Varsity House, located at Boswell Field. Ice hockey teams dress at the Geneva Recreation Complex rink on South Exchange Street.

Tailgating

Tailgating is permissible two hours before the start of an event, with exceptions granted by the Hobart and William Smith Department of Campus Safety and the department of athletics. The athletics event management staff shall designate permissible tailgating areas/parking spaces that will be available on a first-come, first-serve basis and cannot be saved. Tailgating will be allowed only in designated parking areas. Tailgating that uses or infringes upon an additional adjacent parking space is not permitted. Only small weighted tents may be erected in tailgating/parking lot areas. Waste food items and trash, including charcoal, must be disposed of in appropriate containers, which are provided throughout the grounds. Kegs, party balls, pooling or mass purchases of alcohol are not allowed.

Private Tailgates Hosted by Faculty, Staff, Parents and Fans:

Private social events at homes and in similar settings such as tailgate areas are a means through which faculty, staff and students can widen the context in which they know each other. Hosts of such functions are reminded, however that College policy precludes the serving of alcoholic beverages to anyone under 21 years of age, and hosts are responsible for any violations of College policy or state law resulting from the serving of alcoholic beverages.

College Sponsored Closed Invitation Tailgates: These are campus-sponsored events which are "restricted to invited guests only" such as Alumni Office sponsored tailgates, SAA tailgates, or team tailgates. It is not expected that more than a normal percentage of attendees will be students of any age. Alcohol may be made available in accordance with College policy and all state laws. Major requirements include: the event must be approved by and registered with the Hobart and William Smith Department of Campus Safety and the athletic department, alcohol may be dispensed by a trained professional bartender-not an undergraduate, and alcoholic beverages must not be served to anyone intoxicated or under 21.

Any violation of tailgating regulations may result in immediate termination of tailgating privileges and criminal prosecution or disciplinary action through the Colleges or local law enforcement agencies.
